### SUDDEN DEATH

**Mother of Clifford Jennings Dies Tuesday Evening.**

Mr. Clifford Jennings of the Marion Gas company received a telegram Tuesday evening stating that

his mother had died at her home in Titusville, Pa. Mr. Jennings left at midnight for his home. The death of Mrs. Jennings was very sudden as her son had received a letter from her Tuesday morning at which time she was enjoying the best of health.

## FURS OF QUALITY

The richness of our Furs; their style; their workmanship and their Quality, is easily to be seen upon the first examination.

**OUR FUR JACKETS** especially have that distinctive style and quality that places them at once in the front rank. They're worth more and a look and "try'em" will easily convince you.

**OUR SCARFS AND MUFFS** while always noted for their quality, this season are better than ever. In matched sets in mink, squirrel, beaver, fox and lynx you'll find the assortment complete, but we can also show you a large selection in the separate pieces.

PRICES RANGE \$1.00 TO \$35.00

J. P. LUDWIG, MARION'S FUR HOUSE.

## MARION HAS FINE PLANT

**City Clerk Fies Makes His Report.**

### PUBLIC SERVICE BOARD

**In Favor of Purchasing a Dumping Ground.**

**Operation of Garbage Disposal Plant Has Cost the City Only \$439 During Past Six Months.**

That Marion has one of the finest as well as one of the most economical garbage plants in the country was clearly brought out at a meeting of the service board last night when a report of the complete cost of operating the plant and the amount of revenue collected was given to the board by Clerk William Fies.

In some manner the impression got abroad that the garbage end of the plant is a complete failure and that it is costing the city too much to run it. To correct this impression the report was made. During the past six months, which are by far the heaviest of the year, it cost the city \$439 to operate the garbage plant. The superintendent's salary amounted to \$360, the gas bills, \$259.75 and repairs and alterations, \$165.97. The receipts at the plant were \$376.73, making the actual expenses \$439 as stated above.

This showing is regarded as remarkable, inasmuch as the night soil is handled in this department and requires a larger amount of expenditure than any other refuse matter handled. It is stated, however, that if all of the night soil carted from vaults in the city were taken to the disposal plant the cost of gas would be trebled.

For this reason the members of the board believe it expedient to purchase a small tract of land outside of the city to use as a dumping ground. It is believed that at least \$1,000 per year can be saved if a tract is purchased and that it will be possible to compel the garbage men to take all of their haulings to the place which would be located near the city.

No definite action will be taken for the present.

John Hofstetter was appointed inspector of the George street paving;

Chris Martin was appointed inspector of the Main avenue sewer and John Huber, inspector of the alley paving contract between Prospect and Oak streets. Each will receive \$2 per day.

The contract for Fulton stone sidewalks on Franconia avenue was awarded to G. J. Noble, on his bid of \$469.65. The work is to be completed by December 20. The contractor's bond was fixed at \$250.

John Kinsler was given the contract for sandstone side walks on Irey avenue on his bid of \$464.57. Darius street on both sides, \$787.57; Breen street, \$388.22, and Patterson street, \$1405.53. The first three sidewalks will be of Berea stone and the last named of Ohio Quarry stone. The contractor will give bond in the sum of \$1500.

W. S. Staley, contractor in charge of the construction of the pavilion at Lincoln park, was allowed \$94 for extras, necessary in the erection of the building.

On recommendation of the city council the board instructed the street superintendent to take the concrete trough which was located until recently at George and State streets to a point thirty feet north of Fair-ground street, on the west side of the thoroughfare.

The board received a petition signed by many residents of Cherry street, asking that the contractors, Uncapher and Scott, who are in charge of the paving work on that thoroughfare, be compelled to pay the inspector his wages from November 1 until the work is completed. The petitioners claim that the contractors agreed to complete the street by November 1, which they failed to do and as a penalty for such failure the residents on the street want the contractor to pay the inspector. The petition was referred to the city council.

Formal notice was received from the inspector that Park Boulevard is now paved as far as Columbia street and ready to be opened for traffic. The city engineer was instructed to go over the street and if the paving is in the proper condition, to open it for traffic as far as Columbia street.

Bills amounting to \$3092.67 which including an estimate on the Columbia street paving and the contract price of the pavilion at Lincoln park were ordered paid.

A number of minor matters were taken up at the meeting of the health board which followed. It was stated that conditions are exceptionally good in the city from a health standpoint at the present time. There is no contagion of any kind. The death rate in October when but eleven deaths occurred, was the smallest of any month in the past ten years.

Potatoes, fine Ohio sand grown, in 5 bushel lots, 75c per bushel. CHAS. TURNER & CO.

## FARMERS' INSTITUTE

**Four to be Held in the County.**

### MONTGOMERY AND HARSH

**Speakers who will Appear at Local Institute.**

**On January 31 and February 1 the Marion Institute will be Held in the Court Room.**

The local officers of the Marion county agricultural society are in receipt of bulletins published by the state board of agriculture, disclosing the places, dates and speakers of the various farmer's institutes to be held in this county and every county throughout the state in early spring.

The number of institutes increases each year in the respective counties of the state and this county now supports four, which is the maximum number any county is allowed. Three hundred and twenty-one institutes will be held in the state next year and there will be forty state speakers to take care of them.

In Marion county three will be institutes held at Waldo, Agosta, Caledonia and this city. They will be in charge of G. W. Park and W. H. Uncapher of this city, president and secretary respectively of the Marion county agricultural board.

At Waldo the institute will convene Friday and Saturday, February 21 and 22. The speakers will be J. W. Nicodemus, of Van Wert, and J. P. Hine, of Shinrock, Erie county.

At Caledonia, the institute will be held on Wednesday and Thursday, December 4th and 5th. The state speakers will be J. S. Bringham, of Bowling Green, Wood county, and F. E. Allen, of Kinsman, Trumbull county.

Agosta will hold its institute on Friday and Saturday, January 3rd and 4th. Speakers A. A. Huber, of Hicksville, Defiance county, and C. R. Wagner, of Arlington, Hancock county, will be present and exceedingly successful conferences are assured.

Marion township farmers will meet for their annual institute in the court room, Friday and Saturday, January 31 and February 1. Cary W. Montgomery, of Newark, Licking county,

## INDIANS AND WESTERN COWBOYS

**Play Important Parts in Coming Production.**

**"The Flaming Arrow," Lincoln J. Carter's Sensational Drama here Thursday Night.**

Manager Perry of the Grand Opera House will offer as an attraction Thursday evening, Nov. 14, Lincoln J. Carter's sensational drama, "The Flaming Arrow." As the title would indicate, the play deals with events that occur on the western plains and the Rocky Mountains. It is not as blood thirsty as the title would indicate, but is full of pathos, deep heart interest, adventure and side-splitting bursts of laughter which relieves the more serious plot of the story. The play is typically a border drama and exploits Indians, cowboys, but is without, said to be one of the most rational and interesting plays of the kind ever produced. It is claimed that the scenery employed in

this production is of surprising richness and fidelity to the locale of the play.

In the second act in which an Indian Council is held there is a remarkable realistic reproduction of a Council Fire, with flames leaping upward apparently in the most natural manner. The weird Indian music and chants; the unearthly dances and war-whoops; the fantastic movements of the ghost dancers and a total eclipse of the moon, all tend to make this act one of interest and novelty.

## GOODSELL'S

# GOODSELL'S

IT'S  
OUR  
FIRST.

DON'T  
MISS  
IT.

**J**UST one year ago we made our bow to the Marion public and started the only exclusive Wall Paper and decorating business in the city. That we have succeeded even beyond our most sanguine expectation is due to the fact that Marion people have appreciated our honest effort to give to the public a market with strictly new and up-to-date goods at prices that were in keeping with the general demand of an appreciative people. A few months ago, fired with the success of our former venture and seeing the need and fitness of such a department, we added to this rapidly growing business, a carpet and curtain department which is one of the cleanest and neatest to be found in the city and entirely in harmony with our former line of business. For the phenomenal success of this department we are also indebted to our friends, the public. In view of these most significant facts and to further show our most sincere gratitude to our patrons for the part they have contributed, we have decided to hold a ten days sale that will outstrip all previous efforts, and repay in part the debt of gratitude we owe.

## Wall Paper at Just One-Half.

Beginning tomorrow morning we will offer our entire line of beautiful wall paper at a discount of 50%. Remember, this is not a reduction for some out of date patterns or some last years remnants, but a genuine sweeping cut on every piece of the newest, cleanest and most strictly up-to-date stock of Wall Paper to be found in Marion county. Now don't procrastinate—Come right in and pick them out. No difference, whether it is a fine pressed leather pattern worth \$3.00 a roll or an inexpensive material worth 5c a roll. They all come under our first anniversary discount sale price.

## Sweeping Reductions, Curtains and Floor Coverings.

We also offer during this 10 day Anniversary Sale some very special bargains in room size rugs that it will be to your advantage to investigate. Tapestries, Axminsters and Velvets, beautiful patterns in each at very attractive prices.

Curtains, too---

We offer the entire line during this sale at extremely low prices. It's your chance to fit up your dwelling at a trifle of the former cost and have everything ready for the Thanksgiving season. Remember, sale starts Thursday morning and lasts 10 days only.
